

## 446 SPLIT INTO ..., ..., AND ...

The specifications below are in addition to those given at the beginning of the block under 4--  
STRUCTURE OF LINKING ENTRY FIELDS

### Field Definition

This field is used to link the continuing resource being catalogued to two or more other continuing resources which continued it and which split from it.

### Occurrence

Optional. This field must be repeated for each of the new continuing resources.

### Related Fields

#### 434 ABSORBED

When a continuing resource splits into two or more continuing resources, but the title of the original is kept by one of the later continuing resources, field 434 is used in the record of the continuing resource whose title did not change in order to link to the continuing resource which was merged and whose title no longer continues.
