	0	Running title is not significant
	1	Running title is significant
2	#	blank (not defined)

Indicators Description

Indicator 1: Title Significance Indicator

Specifies whether the parallel title should be treated as an independent title access point, i.e. whether an access point (or added entry) should be made for it.

Value 0: Running title is not significant

It is not intended that an access point be made under the running title.

Value 1: Running title is significant

An access point should be made under this title.

Subfields Description

\$a Running Title

The title as taken from the head or foot of the page of the item. Not repeatable.

\$e Other Title Information

Subtitles and other title information that are subordinate to the running title. Repeatable.

\$h Number of Part

The section or part numbering for items which are identified by a main title and a subsection title and relate to the running title in \$a. Repeatable.

\$i Name of Part

The section or part name for items which are identified by a main title and a subsection title. Repeatable.

\$j Volume or Dates Associated with Title

The part of a multivolume resource or continuing resource to which the running title pertains. Not repeatable.

\$n Miscellaneous Information

Text intended primarily for display in a note, e.g. “varies slightly”, “paperback edition”. It will be placed in relation to the other subfields in the position where the cataloguing agency intends that it will display. Not repeatable.

\$z Language of Title

Identifies the language of the running title. Its presence will enable recipients of the record to omit added entries for running titles in languages which are not felt to be useful in their databases. For codes use ISO 639-2 or other standard language code schema specified in subfield \$2. Not repeatable.

\$2 Source

An identification in coded form for the language code schema from which the code in \$z is derived, when the code is not from ISO 639-2. For a list of the language codes schemas, see [Appendix A](#). Not repeatable.

Notes on Field Contents

This field will be used only when the running title differs significantly from the title proper.

Any subfield available under field 510 may be used. It is anticipated that only subfield 515a will usually occur.

Related Fields

312 NOTES RELATED TITLES	A note containing the text of the running title may alternatively be entered in field 312.
